

VCU-CS-CAPSTONE WEEKLY REPORTS ON GITHUB

Instructions:

This is a group assignment of CMSC 452 due on March 7 at 11:59pm EST (Friday before Spring Break). Only one pdf needs to be submitted on behalf of all the members of a team. Please use this template to take and provide 5 screenshots of your VCU-CS-Capstone repository.

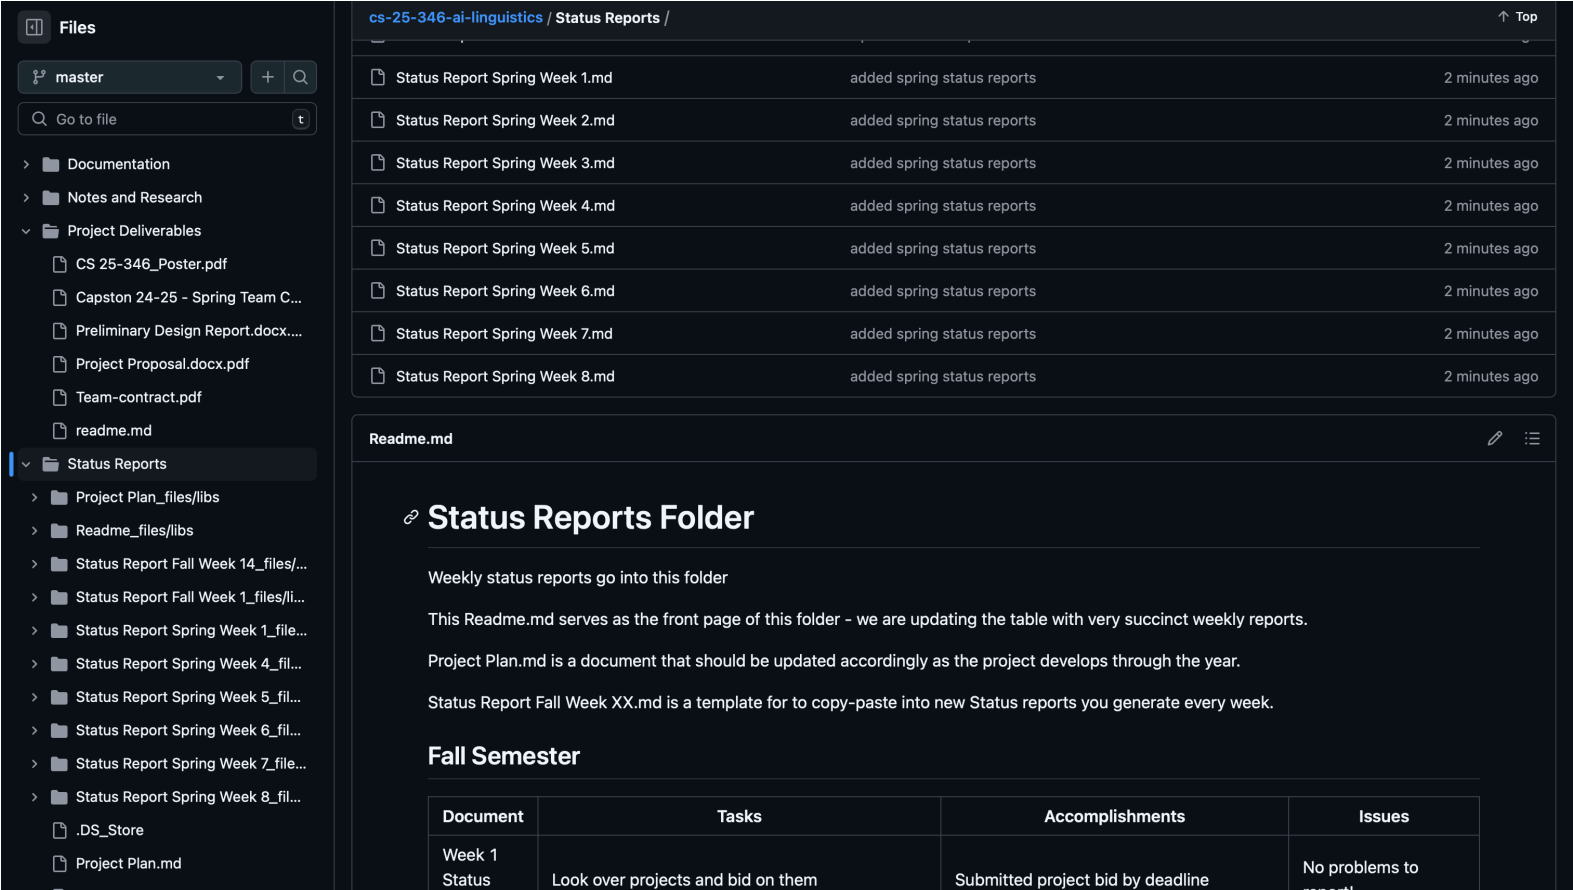

Screenshot #1: Project Deliverables folder showing that you have included final pdf versions of:

- (a) Team Contract
- (b) Project Proposal
- (c) Fall Design Poster
- (d) Preliminary Design Report
- (e) Updated Team Contract

Caption

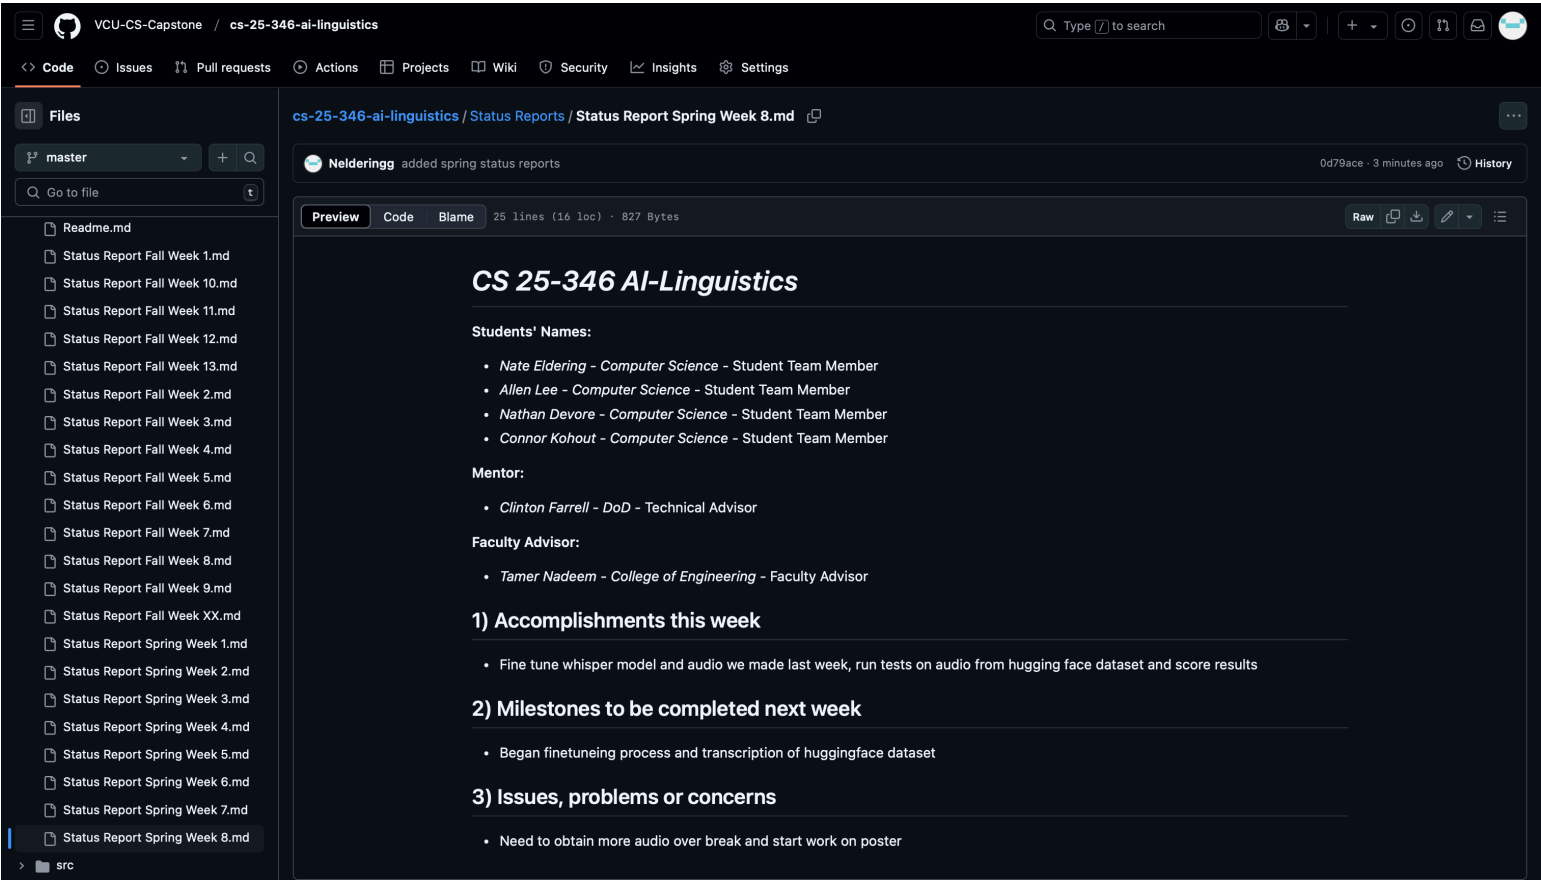

Screenshot #2: Status Reports folder showing at least 4 weekly reports from Spring 2025 semester, neatly organized by week number

Caption

Screenshot #3: Content included in one of the last 3 weekly status reports filed.
Content should follow the template provided with 3 sections:

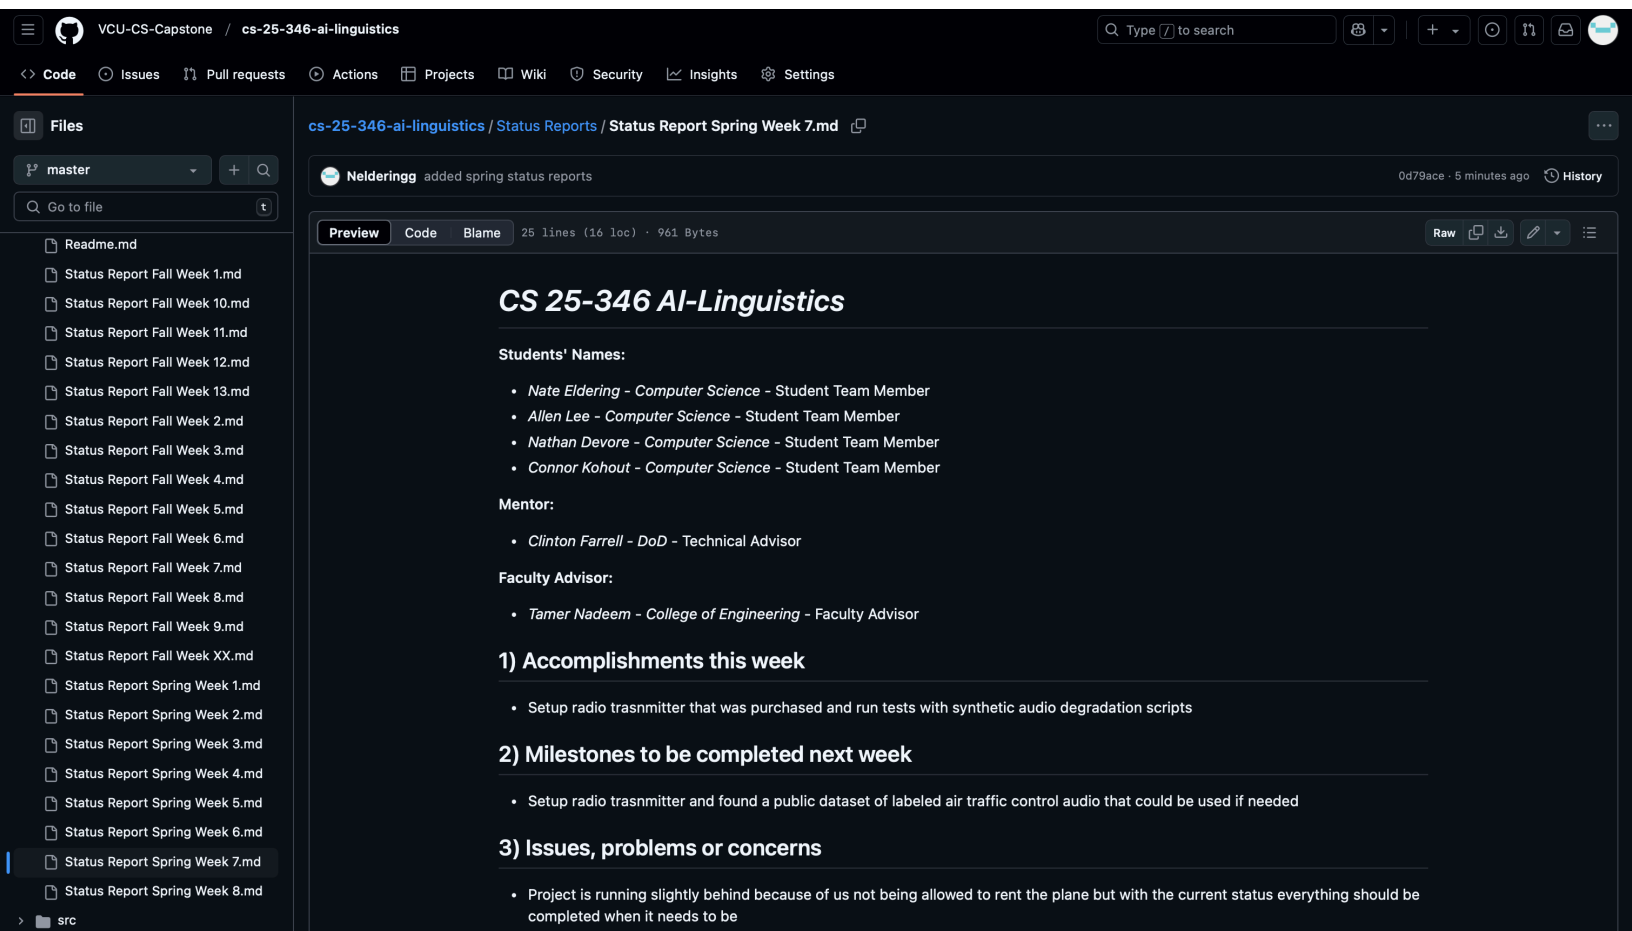

- (a) Accomplishments this week,
- (b) Milestones to be completed next week
- (c) Issues, problems, or concerns
